SUBLEASES

Shareholders who wish to sublease their apartments must first obtain the Board's permission. The current policy of the Board of Directors is as follows:

- 1) After completing two years of ownership, subleasing is allowed for a period of one year if Board approval is granted. All subtenants must complete a sublet application and be interviewed by the Board of Directors.**
- 2) An additional period of subleasing will be considered on a case-by-case basis, but at no time will there be more than 5 sublets in the building at one time.**
- 3) While subleasing, the shareholder remains responsible for payment of maintenance and for their subtenant's compliance with the Cooperative's rules and regulations.**
- 4) Subleases will only be considered for approval for a one-year term at a time. The sublease may be renewed for a subsequent year, not to exceed two years in total, at the discretion of the Board of Directors.**

Sublet fees, payable to 3636 Greystone Owners Inc. are: One month's maintenance or \$600 whichever is greater per year, paid in full at the commencement of the sublet.

Shareholders are encouraged to permit sufficient time in planning a sublease in order to comply with the Board's requirement. One of the required documents that usually take time to obtain is the written consent of your lender (if you have a Co-op loan). Any attempt to consummate a sublease without first obtaining the Board's consent will result in prompt legal action that may include an action to void your sublease and cancel your shares and proprietary lease. Any legal fees incurred by the Corporation in such an event are charged to the shareholder.

RE: Extermination Procedure, Move-In/Out

We are pleased to report that our building is **bedbug-free** at this time. To prevent bedbugs from traveling into the building during changes in occupancy, we have implemented the following procedure, effective immediately. This policy is now included in the Resale and Sublet applications.

RESALES

- After moving out but prior to closing, the seller will schedule at the seller's expense a bedbug inspection of the apartment by the building's exterminator. A copy of the inspection report must be provided to the Managing Agent prior to closing.
- Within ten days of moving into the apartment, the buyer will schedule at the buyer's expense a bedbug inspection of the apartment by the building's exterminator. A copy of the inspection report must be provided to the Managing Agent.
- Inspection fees not paid in full prior to the closing will be collected at the close. Extermination costs not paid in full prior to the closing, will also be collected at the time of closing.

SUBLETS

- After moving out but prior to the sub-lessee moving in, the shareholder will schedule at the shareholder's expense a bedbug inspection of the apartment by the building's exterminator. A copy of the inspection report must be provided to the Managing Agent prior to the sub-lessee moving into the apartment.
- Within ten days of moving into the apartment, the sub-lessee will schedule at the sub-lessee's expense a bedbug inspection of the apartment by the building's exterminator. A copy of the inspection report must be provided to the Managing Agent.
- All inspection costs must be paid in full as a condition of sublet. Extermination costs will be billed to the shareholder of record as they are incurred.

GENERAL

- If the building's exterminator confirms bedbugs in the apartment, the shareholder of record at the time the bedbugs are detected has the financial responsibility for their extermination.
- To ensure quality control no exterminator other than the building's approved exterminator will be used to inspect and treat for bedbugs for the purposes of this policy.

If you have any questions on this topic or any other matter related to the building's administration please do not hesitate to contact me with a phone call to 718-796-5022.

Thank
you.
